Deal Description

❖ Deal Generator

The Daily Deal Pro supports you to process the running deals automatically since a defined specific rule – deals will be generated automatically.

▪ Add New Deal Generator

- ✚ In the **Deal Generator Title** field, insert a title.
- ✚ In the **Set Product discount** field, specify a discount amount by fixed amount or by percentage.
- ✚ In the **Limit quantity of each sale item to** field, insert limited quantity for each sale (can be a number or range).
- ✚ In the **Set the number of product on sale at the same time** field, specify a number. You can choose to have all products on sale at the same time or only few of them (per product quantity that you select at the Select Product tab).
- ✚ In the **Set number of days in advanced** field, specify a number of days that the deal will be generated.
- ✚ In the **Deal Duration Cycle (in hours)** field, specify the active time for each deal before rotating to the next deal.
- ✚ In the **Deal Generation method** field, select to run deals randomly or sequentially (in the case you choose to have limited numbers of products in group on sale at one time).
